SKATING:

If you haven't already done so, **please send in your permission slips** for skating. The \$3.00 fee covers all four of the skates. Thank you for your patience with all the communication that is coming home in these busy weeks. It truly is wonderful to be able to get out and be active in the winter - so THANKS!

GRADE THREE BOOK REPORTS:

Most of the work will be done in class for the rough drafts of these reports. Next weekend, students should come home with all of their edited rough draft copies, and will be ready to copy and assemble their final projects at home .

Have a great week!

Mrs. D.
